A man and a woman are walking together, smiling and looking at each other. The man is on the left, wearing a light blue suit jacket over a white shirt and a dark belt. The woman is on the right, wearing a dark grey blazer over a red top and dark plaid trousers. She has sunglasses on her head. The background is a blurred indoor setting.

BDO Sustainability Report

Our business activities are underpinned by a comprehensive approach that takes into account the various dimensions of sustainability. For us, sustainability means not only environmentally friendly conduct, but also the inclusion of social and economic aspects. With an annual sustainability report, we keep our stakeholders continuously informed about our activities.

BDO LTD

BDO Ltd is one of the leading audit, business services and advisory firms in Switzerland. We offer services in our core areas of expertise: audit, financial services, business services and outsourcing, tax and legal advisory, and management consulting. With 36 offices in Switzerland, our firm's network offers the most extensive coverage in the industry. For BDO's people – around 1,700 professionals – close links and expertise are the key to successful and lasting relationships with our clients. Our first fully digital office enables SMEs to also automate simple and standardised processes. BDO Ltd audits and advises industrial and service sector companies, including SMEs, listed companies, public authorities and non-profit organisations.
