*"Our success is aligned to the pursuit of sustainable, shared impact. Our business activities are characterised by long-term client relationships, motivated people and respect for nature."*

Thomas Studhalter  
CEO of BDO

## BDO sustainability report

We consider ourselves to have a big responsibility towards the environment and society. That is why we have set ourselves the goal of promoting sustainable practices in all areas of our company. In publishing our first sustainability report, we are creating transparency with regard to our economic, social and environmental commitment, and providing insights into our sustainability-related efforts.

## BDO Ltd

BDO Ltd is one of the leading audit, business services and advisory firms in Switzerland. We offer services in our core areas of expertise: audit, financial services, business services and outsourcing, tax and legal advisory, and management consulting. With 35 offices in Switzerland, our firm's network offers the most extensive coverage in the industry. For BDO's people – around 1,600 professionals – close links and expertise are the key to successful and lasting relationships with our clients.

Our first fully digital office enables SMEs to also automate simple and standardised processes. BDO Ltd audits and advises industrial and service sector companies, including SMEs, listed companies, public authorities and non-profit organisations.

For clients with an international focus, BDO draws on a global organisation spanning more than 160 countries. BDO Ltd has its head office in Zurich and is an independent, legally separate Swiss firm belonging to the international BDO network, whose head office is in Brussels (Belgium).
